ReechCraft[®] **PowerLiFT**[™]

GO WHERE OTHERS CAN'T.

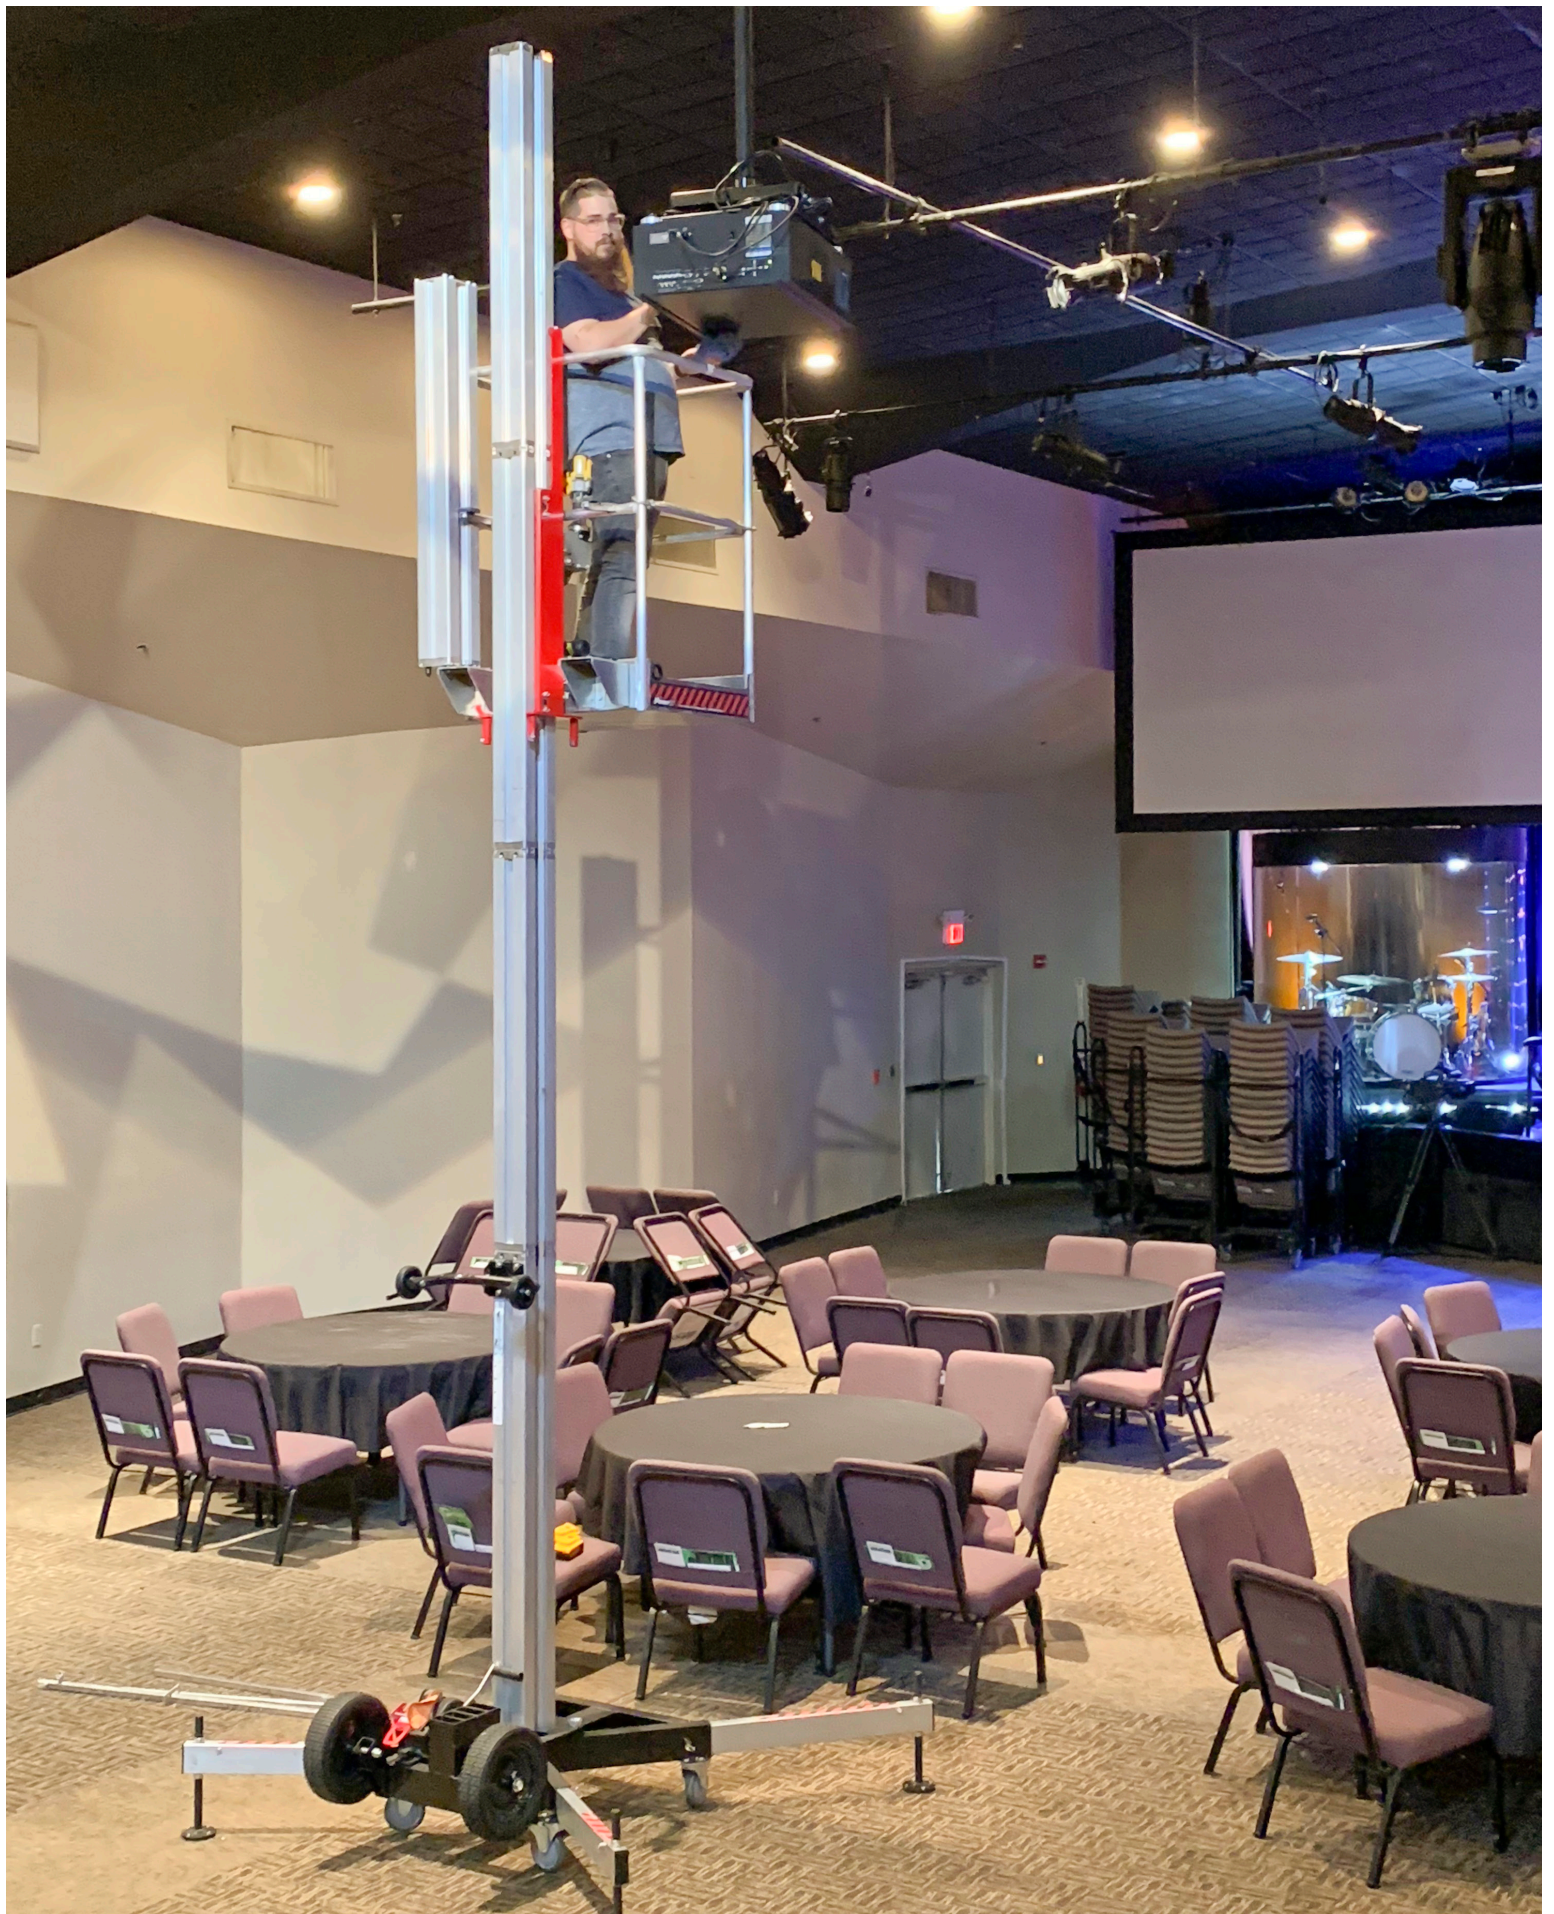

PowerLift PL65 works perfectly on slanted or stepped floors.

The ultra lightweight PowerLift is easy on flooring and is easily transported through small entrances.

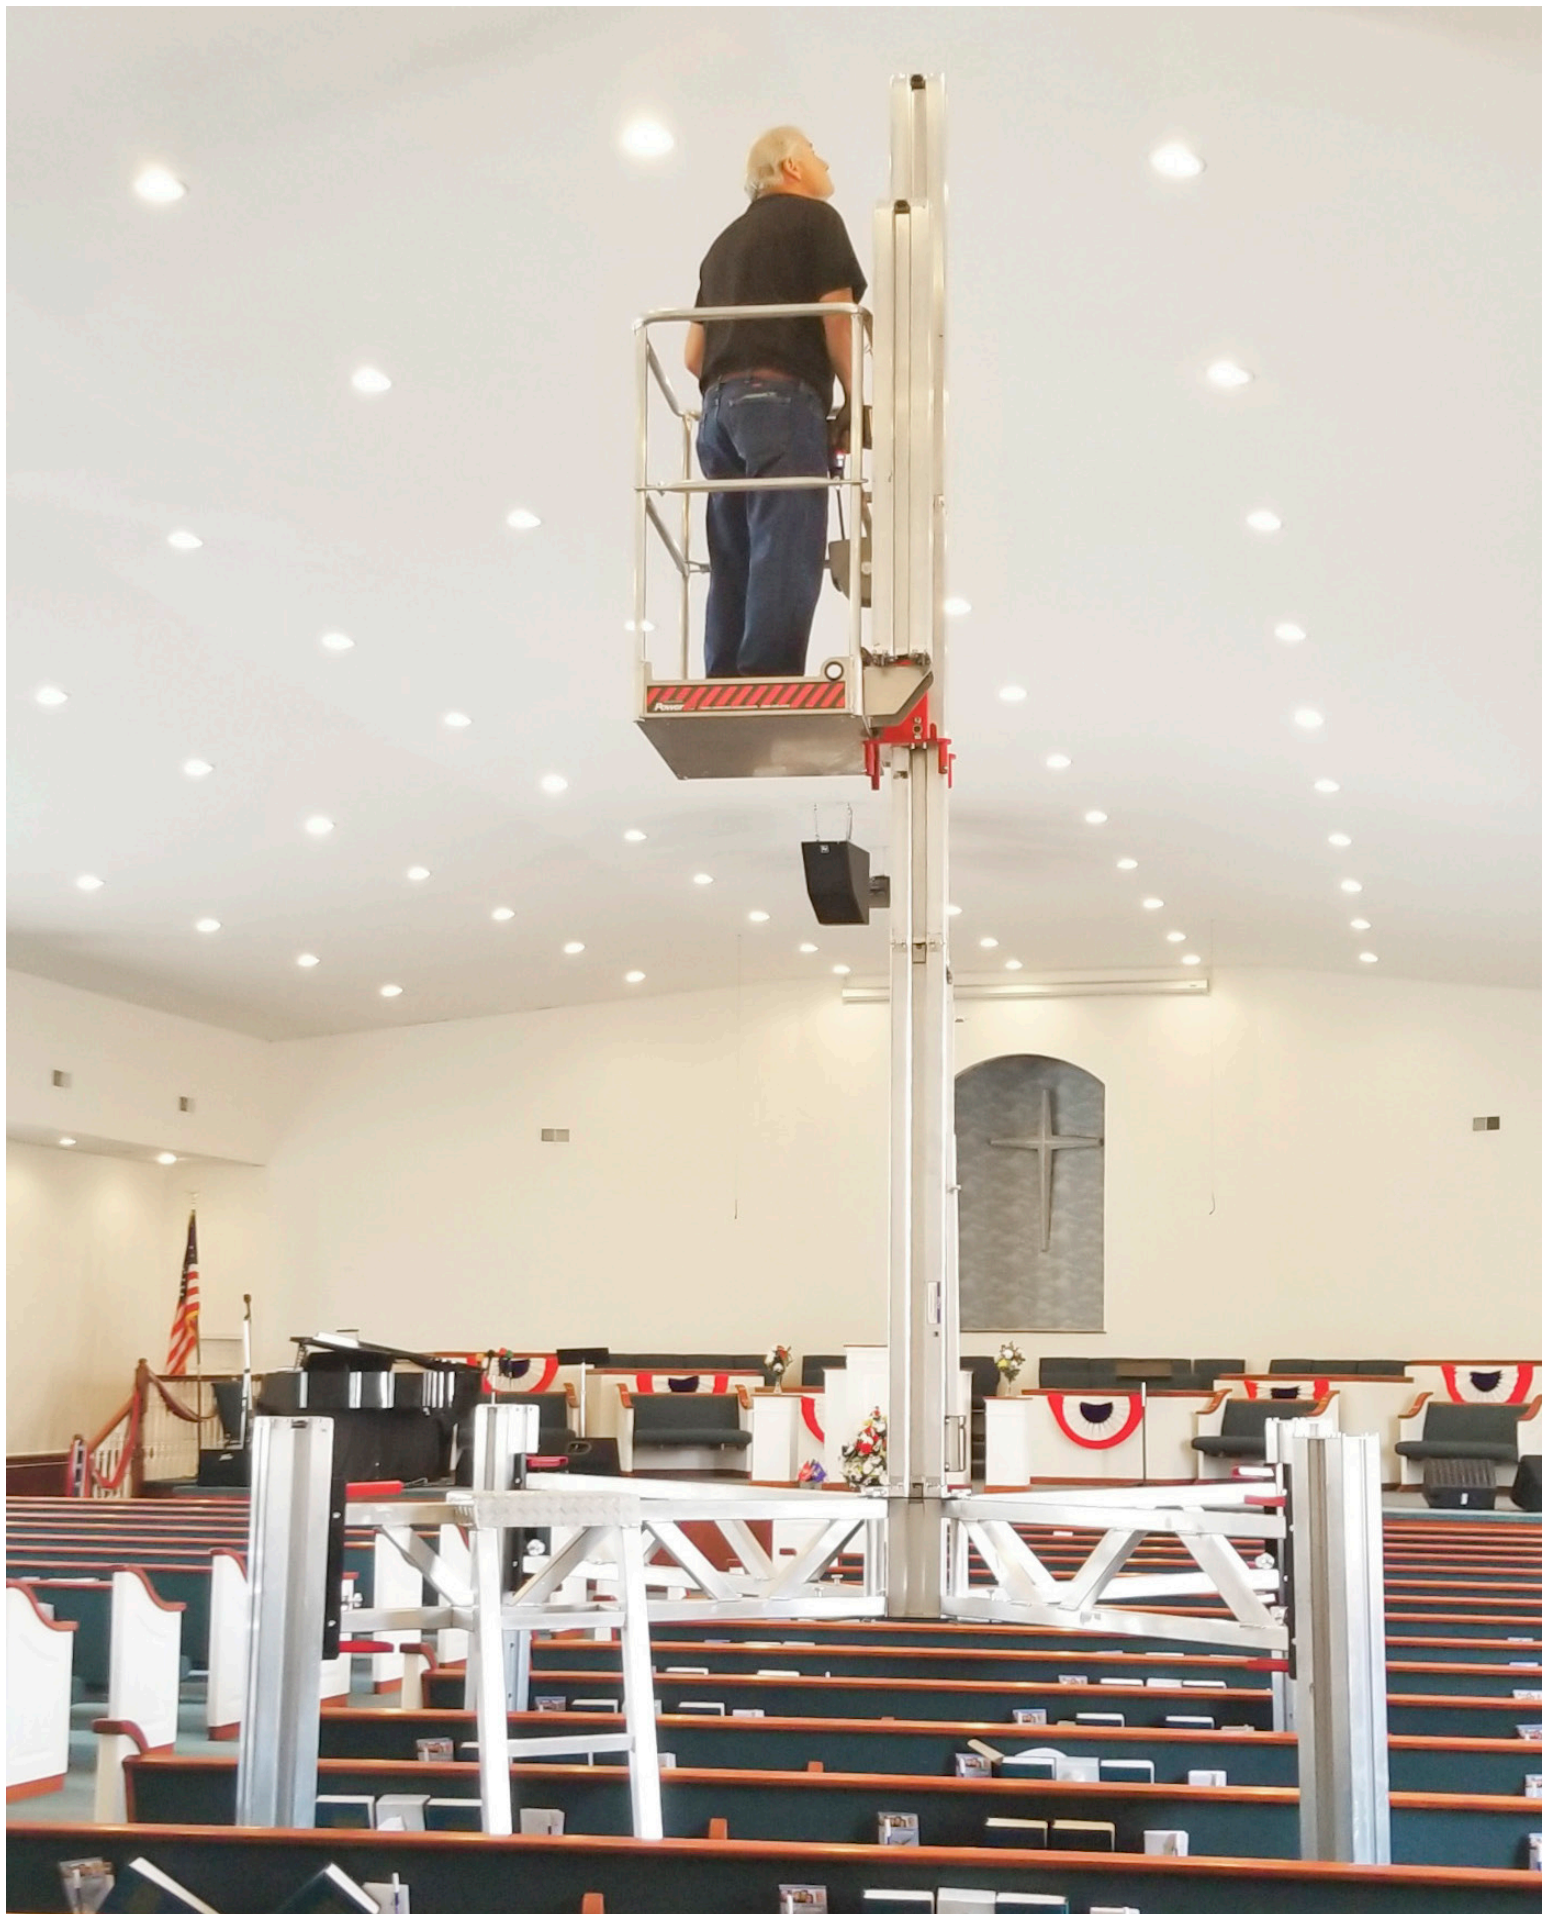

PowerLift easily fits in an elevator for convenient access just where you need it.

PowerLift is easy to operate with a simple drill.

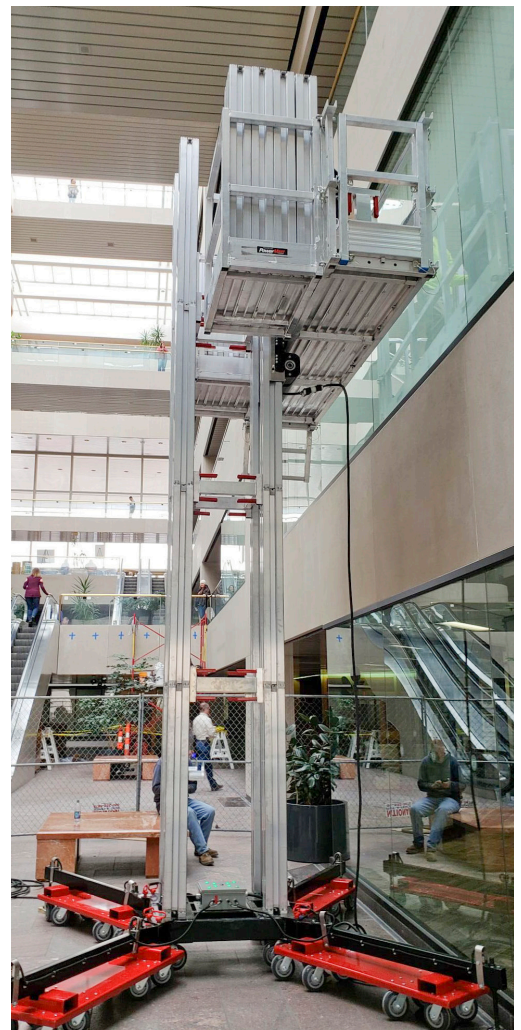

Simple to operate, the PowerLift is great for businesses, schools, churches, and rental applications.
